## TECHNOLOGY DATA SHEET

Product : Formic acid

CAS: 64-18-6

UN: 1779

HazardClass : 8

Molecular Formula: CH<sub>2</sub>O<sub>2</sub>

Formic acid,%	85min
Color INDEX	20max
Chloride,%	0.004max
Sulfate,%	0.02max
Iron,( Base on FEPP3+ PP)%	0.0004max
Evaporation residue,%	0.02max

### Description

Clear liquid

### Applications

Leather tanning process  
Feed for preservation and acidification  
Intermediate in various pharmaceuticals  
As active ingredient in cleaning agents  
Rubber

### Delivery forms

25/35/250/1000kgs drum

### Storage

Please keep Ventilated and dry,not light
